Time management
Weekly Meeting
Workspace

List shout-outs to any team members for excelling in any way

Gustavo- working tirelessly and being a great scrum master
Henri- pushing through hard times

What did you learn as a team this week?

I think we learned just how quickly time can fly, how hard work goes a long way, and how supporting someone can be done in so many ways

What did you learn as an individual this week?

When life happens, it is important to make a little time for yourself, and then carry on with duties.
